Now Indigenous-owned, Landsong (established 1998) is based at Moberly Lake BC and operates across BC. Landsong endorses a cultural approach to archaeology and collaborates with Indigenous communities, facilitating and assisting with community-led traditional land use studies. We provide opportunities for professional growth in a safe, creative and caring work environment in a **team-based setting**. We support work-life balance and have recently implemented a **36-hour work week**. Landsong's work culture is built on a foundation of collaborative teams and is guided by our core values: **Safety, Quality, Integrity, Innovation & Respect.**

Job Description:

- Archaeology assessments with subsurface testing in varied terrain and landscapes across BC for industries including oil and gas, forestry, and renewable energy
- Data collection to facilitate community-lead Indigenous land use studies
- Fieldwork may be located in remote locations with accommodation in camps and hotels
- Compliance with, oversight and continued development of the Landsong EHS Program
- Adherence to the Landsong Quality Management Program (QMP)
- Requires relocation to the Moberly Lake/Chetwynd area

Job May Also Include:

- Technical writing and report review with attention to detail and quality
- Assisting with project management, the Landsong safety program and general administration

Minimum Requirements for Archaeologists:

- B.A. or B.Sc. in Archaeology or Anthropology
- Completion of an archaeology field school program at an accredited university, college or equivalent field experience
- Ability to work independently and as per permit methods with minimal oversight
- Field-fitness: ability to hike in rough terrain and carry a pack and field equipment
- Valid Class 5 Driver License
