### Other Benefits:

We provide a comprehensive health benefits package, equipment & cell phone allowances, an RRSP program, and funding for training and conferences.

**Now Indigenous-owned, Landsong (established 1998) is based at Moberly Lake BC and operates across BC.** Landsong endorses a cultural approach to archaeology and collaborates with Indigenous communities, facilitating and assisting with community-led traditional land use studies. We provide opportunities for professional growth in a safe, creative and caring work environment in a **team-based setting**. Landsong's work culture is built on a foundation of collaborative teams and is guided by our core values: **Safety, Quality, Integrity, Innovation & Respect.**

### Job Description (tasks & responsibilities may include, but are not limited to):

- Conducting archaeology assessments with subsurface testing in varied terrain and landscapes across BC for industries including oil and gas, utility, and renewable energy
- Data collection to facilitate community-lead Indigenous land use studies
- Fieldwork may be located in remote locations with accommodation in camps and hotels
- Compliance with and contribution to the continued development of the Landsong Environmental Health & Safety (EHS) Program
- Adherence to the Landsong Quality Management Program (QMP)
- Preference may be given to applicants willing to relocate to the Peace River Region / NE BC

### Job May Also Include:

- Technical writing and report review with attention given to detail and quality
- Assisting with project management, the Landsong EHS program and general administration

### Minimum Requirements for:

#### Permit Holders, Field Directors & Field Archaeologists:

- B.A. or B.Sc. in Archaeology or Anthropology
- Completion of an archaeology field school program at an accredited university, college or equivalent field experience
- Ability to work independently and as per permit methods with minimal oversight

- Field-fitness: ability to hike in rough terrain and carry a pack and field equipment
- Valid Class 5 Driver License

**Archaeology Technicians (including university summer students):**

- Ability to work in a team setting
- Field-fitness: ability to hike in rough terrain and carry a pack and field equipment
- Valid Class 5 Driver License
- Completion of an archaeology field school program at an accredited university, college or equivalent field experience is an asset
