Landsong, established 1998 and proudly Indigenous-owned, is based at Moberly Lake BC and operates across BC. Landsong endorses a cultural approach to archaeology and collaborates with Indigenous communities, facilitating and assisting with community-led traditional land use studies. We provide opportunities for professional growth in a safe, creative and caring work environment in a **team-based setting**. Landsong's work culture is built on a foundation of collaborative teams and is guided by our core values: **Safety, Quality, Integrity, Innovation & Respect.**

4

Job Description (tasks and responsibilities may include, but are not limited to):

- Lead archaeology assessments with subsurface testing in varied terrain and landscapes across BC for industries including oil and gas, utility, and renewable energy
- Provide mentorship and training for junior staff
- Data collection to facilitate community-lead Indigenous land use studies
- Fieldwork may be located in remote locations with accommodation in camps and hotels
- Compliance with and contribution to the continued development of the Landsong Environmental Health & Safety (EHS) Program
- Adherence to the Landsong Quality Management Program (QMP)

Job May Also Include:

- Technical writing and report review with attention given to detail and quality
- Assisting with project management, the Landsong EHS program and general administration

Minimum Requirements for:

Permit Holders, Field Directors & Field Supervisors:

- B.A. or B.Sc. in Archaeology or Anthropology
- Completion of an archaeology field school program at an accredited university, college or equivalent field experience
- Ability to work independently and as per permit methods with minimal oversight
- Field-fitness: ability to hike in rough terrain and carry a pack and field equipment
- Valid Class 5 Driver License
